

Happy Volunteers' Week 2021!

Volunteers' Week takes place 1-7 June every year. It is a chance to celebrate and say thank you for the contribution millions of volunteers make across the UK.

Throughout the last 12-18 months, we have seen how the **Brent's community has become Stronger Together**. We have been working collaboratively with organisations, local groups and volunteers to provide essential support to residents. Whatever you done, in a formal (joining an organisation or mutual aid group) or informal (just checking on your neighbours), we would like to say **thank you!**

Join Do IT Brent!

We are delighted to announce that we have created a local **Do IT Brent** volunteering platform. We would like to invite you to join the local Do IT Brent.

We are currently seeing that with the ease of the lockdown and the summertime approaching, several organisations are looking for people that can help. Do IT Brent is a website that helps to match up people who have a passion for helping and time to give, with groups and organisations who have opportunities to get involved. If you are an organisation looking for volunteers or you would like to get involved with your community, join Do IT Brent today!

Tell us your volunteering story!

Brent is extremely lucky to have people who contribute their time to help local organisations and its beneficiaries. Whatever your role is, the time you give, the community you help... your commitment is so important. Brent is definitely **Stronger Together**.

If you would like to inspire others to volunteer and would like to tell your own personal volunteering story, contact us at volunteering@brent.gov.uk

Nominate today!

Help us recognise and celebrate the outstanding achievements of the brilliant young people in our borough by nominating a group or individual for the [Pride of Brent Youth Awards 2021](#)!
