

DEMENTIA HUBS BRENT

Cad-Brent.org.uk

Our project will develop and deliver new and enhanced services to improve the lives of people living with dementia, and their families in Brent.

AIMS:

To establish two new community dementia hubs (one in the north of the borough and one in the south!)

Offer new satellite services including peer support groups.

Support dementia cafes and other activities for people living with dementia and their families.

Provide opportunities including health advice and support, information, advice and guidance services, welfare benefits advice and social activities across Brent.
