What's changing?

From 1 December 2021, the Depot & Wellbeing Clinics will be moving away from 15 Brondesbury Road

This change is being made because the owner of 15 Brondesbury Road has planned for the site to be demolished and re-purposed.

What does this mean for me?

From 1 December 2021, your appointments will no longer be at Brondesbury Road. To contact your mental health services, you will be calling a new number. Please make a note of the new number on the front of this leaflet. **Please make sure you have a note of the address where your future appointments will be.**

For some people, who do not have named workers, but have appointments with members of

the Depot & Wellbeing Clinic, please make a note of the new address on your appointment letter.

We will be running the Depot and Wellbeing Clinic from two buildings. We will let you know which one to come to. However, the main office will be in Fairlight Avenue. This will be the best place to contact us if you need support.

In future, we will also run a Depot & Wellbeing clinic from:
Fairfield House
Fairfields Crescent
NW9 0PS

The Clozapine Clinic will **not** move.

Who can I speak to about these changes?

We understand change can cause anxiety. If you are worried about these changes then please call your named worker. (Continued overleaf)
